

## Cover Story

Christian Slater's wife, Ryan Maddon, who partied with Affleck in Vancouver at a strip club and her home, tells *Us* there was no drug use or orgy. "I would never allow something like that in my house," says the mother of two.

### At the *Gigli* premiere

### Body language expert Patti Wood weighs in:

(Inset) "He's leaving her way behind for someone else to take care of," explains Wood. "It's a strong non-verbal communication saying, 'I don't care about you; you're not important to me.' He has that straight look on his face, which I read as a masking smile to hide his anger."  
(Main image) "She's faced towards him, but the only thing turned towards her is his head. He's got his torso towards one camera and his eyes are on another, rather than having his eyes and heart on her."

"God help us all if Ben Affleck has to find sex out of that relationship," says a source close to Lopez.
