Praise for Patti

Incredible as always...

"You were incredible as always! People keep stopping by my desk to thank me for bringing you to Nortel. Participant's e-mails and critique sheets from here and in Canada are filled with superlatives about how much they learned and how much fun they had. In all my years hiring speakers I have never heard "techies" praise anyone as highly as they do you." *Nortel*

Patti stands out above the rest...
