Praise for Patti

Incredible as always...

"I've had you in my files as a source on body language and presentation skills since 2001. You're responsive to my queries, accessible—and always dead-on with your analysis and how-to tips for PR practitioners and communicators. From presidential debate body language gaffes by Kerry, to State of the Union miscues by Bush to memory tools that help CEOs stay on message to easy ways PR people can help their bosses become more comfortable and confident in front of cameras and crowds ...you've delivered the goods every time."

Brian Pittman, Bulldog Reporter, PR U

Patti stands out above the rest...

"Patti stands out above the rest. I have never seen anyone create the interaction and full participation of every single audience member or create the bonding, energy and results that Patti has achieved in every single program she conducted for us."
