Fantastic Presentation...

“It's been almost a week since your presentation and the team is still buzzing. Your presentation was fantastic. We've received great feedback from all levels of Management, our Account Executives and support staff that was in attendance. I was very pleased to see the long line at your book signing and the multiple questions that came with it. We were also extremely pleased with the way you seamlessly incorporated our objectives and theme into your presentation. It was like you were working with us for weeks. I've been in the business world almost 30 years and never quite knew the proper protocol on how, when or how long to shake a woman's hand. I now can confidently do this.”

Fresh, Motivating and Funny...highly recommend Patti...

“...one month later I am still getting comments from satisfied members who attended her body language symposium. She was fresh, motivating, and funny. She has a knack for making her point in a way you won't forget. Her simple tools to enhance the first

impression you give are invaluable. I walked into a member office the other day and laughed

as two of the attendees to Patti's class were standing there talking about one of Patti's techniques!” “We enjoyed all of our speakers, but few stay with you like Patti does! We highly recommend using Patti Wood as your next speaker.”

An Ultimate Professional

“I am writing to say that I have had the privilege of working with Patti Wood on two separate occasions for our GFOA-PA Annual Conferences. I have never before seen an audience on their feet within 5 minutes after the speaker took the microphone!

Patti has an amazing knack for involving every single attendee. And they have such a great time! She has people who have never met before sharing information, learning about and from each other.

The first time I worked with Patti, she was virtually an unknown to our group. Within 30 minutes after Patti ended her presentation, I was told by the committee that we had to have her return again the next year. When Patti is on the Agenda, I know that my attendance is going to increase.

Patti is the ultimate professional who takes time to learn about her audience and their professional needs so that she can customize her remarks to assure that the audience can relate.

I am happy to entertain any questions and will happily offer personal recommendations to anyone who may be considering working with Patti Wood. I can assure you, it is a win-win situation.”

Hired Patti Over 40 Times!

"I have hired Patti Wood over forty times to kick-off my seminars around the country and plan to use her six more times this year. She gets my audiences energized, focused and she teaches them skills that they can incorporate in their work life immediately. The first thing my audience members ask me when they're deciding on whether to register is, 'Is Patti going to be there?'" Yes she is!

Awesome Job...

You did an awesome job! An entire day of you giving keynotes in a studio for us. I think we have enough information captured to truly give us what we need for your videos. Now begins the edit process. We have so much great information from you that it will be difficult to decide what stays and what goes. We reported out to Richard and Ashley yesterday, and everyone felt that you showed up great on camera and delivered (as usual). I'm looking forward to April as well (When you are live with us again). Take care Patti, and rest easy knowing you did a great job for us!

Outstanding Keynote...

"Thank you for your outstanding keynote presentation to kick off our Credit Insurer's Association meeting. The participants said you were excellent. You built up interest and momentum from your high energy session which carried throughout our meeting. The two days were abuzz with comments that showed how much fun they had and how much they learned such as "Did you see him put his hands in his pockets!" and "I cross my arms to think but, I'm not ADD." You really made a lasting impression. People came up to me and said they wanted more of you and "we could listen to Patti all day. " I really appreciate you motivating our group. We are hoping we can have you back some time in the future so check your calendar."

Best Presentation ...

"I just wanted to say thank you for an excellent presentation at last week's entrepreneur expo. It was easily one of the best presentations and information sessions I have ever seen. I learned a lot about body language and the funny thing was that you start to see examples of it everywhere. From being at a bar talking with some friends to working with potential clients, it was just eye-opening to see how accurate your information was..."
