

UsWeekly October 21, 2002, Patti assesses the body language of Bachelor Alex Michel and Amanda Marsh.

Together or What?
Alex and Amanda aren't talking, but *Us* has the scoop

Alex Michel, 32, and Amanda Marsh, 23, say they've given their "final interview," but their unofficial spokesman, *Bachelor* host Chris Harrison, lets *Us* in on their dating status: "They are still together," Harrison swears. "The chemistry is still there. Off-camera and off-the-record, they see each other a lot."

Body-language expert Patti Wood on their September 25 "final interview":

THE BAD STUFF
They weren't orienting their bodies toward each other (left), meaning there is still some independence.

THE GOOD STUFF
They looked at the one who was talking. That occurs with couples who care about each other.

Long distance: He's acting in L.A.; she's a DJ in Kansas City, Missouri.
