Myers-Briggs Personality Training 2001
www.pattiwood.net

- I really enjoyed the training and I think it will help me understand differences between people at work and at home! I'm looking forward to practicing what I learned in class!
- Thank you! Very helpful--presented well--able to keep my attention!
- Thanks for the insight!
- A great show! Wonderful insight! I really enjoyed the handshake background knowledge!
- This was great fun and very beneficial to the team! I found out a lot about myself as well as others.!
- Great job! Patti has a great level of enthusiasm for her topic!

Yes! I am interested in finding out more about Patti Wood and the following workshops and speeches:
