Cruise & Cruz:

Their Sign

Patti's assessment of the Tom Cruise & Penelope Cruz relationship in Us Weekly October 21, 2002.

a brief *vacance*), adoring fans and paparazzi followed, eyes wide open. The smooching pair dined at Chez L'Ami Louis (a favorite of Bill Clinton's) and took to the links at exclusive golf club Saint-Nom-la-Bretèche, where they received private lessons and played nine holes.

Did Cruise - who looks grizzled for his upcoming film *The Last Samurai* - teach Cruz the simultaneous sign-and-pose?

The Expert Says

From Los Angeles's trendy eatery Spago last year (left) to a golf course outside Paris just days ago, wherever T & P go, their lips are locked. What do these kisses say about the couple's long-term prospects? Body-language expert Patti Wood weighs in.

The Smooch

"All the signals say 'I want you.' This is more intimate than I've ever seen them!"

"She's looking to him for strength. But I don't see him looking at her with lust."

"She's reaching back for the security of his clasp"
